ABOUT ME

Frontend Developer with 3 years of experience.
I studied at Alura Latam - ONE, among other academies. I am currently studying Data Science at the U.N.L.P.
For the last 4 years I trained as a Developer, putting the acquired knowledge into practice daily, creating challenging projects.
I consider myself critical and detail-oriented at work.
I seek to work as a team, in an inspiring environment that allows me to develop creatively.
My commitment is to create the best possible customer experience.
